

26 March 2020

Dear Parents of SISFU Senior High School Students,

As all of us endure this ongoing public health crisis, the time has come for **Parent-Teacher Conferences**. Your sons and daughters have embraced online learning with ease, but this sort of dramatic upheaval in daily routine can rankle anyone. Yet SISFU remains unphased in its commitment to the learning and achievement of all its students. Due to the Enhanced Community Quarantine of the entire Luzon, this time, SISFU will take a different approach in releasing report cards and in conducting parent-teacher conferences.

**Copies of Students' Report Cards will be released online as PDFs emailed directly to you on Friday, March 27<sup>th</sup>, 2020. Online PTC will be through Google Meet.** I will be available for online consultation should there be any question or concern.

Please see the link below (the same has been included in your email for your perusal)

**Alternatively, you may reach me at [ailenef@southville.edu.ph](mailto:ailenef@southville.edu.ph) or via voice call at 0998-844-7762.**

We strongly recommend the entire SISFU community to exercise caution during this public health emergency and practice extreme precautionary measures. We will continue to update you through regular advisories based on the official word from public agencies and our ongoing appraisals of the situation.

We must strive to match our compassion to our caution and remember that together, we will overcome this crisis as a stronger, kinder, caring community of learners.

May God bless us and keep us strong, collected, and safe through this situation.
